### NOTES TO FORM PCT/ISA/220 (continued)

The following examples illustrate the manner in which amendments must be explained in the accompanying letter:

- 1. (Where originally there were 48 claims and after amendment of some claims there are \$11. "Claims 1 to 29, 31, 32, 34, 33, 37 to 48 replaced by amended claims bearing the same numbers; claims 30, 33 and 36 vectsanged; new claims 49 to 51 added."
- (Where originally there were 15 claims and after amendment of all claims there are 11): "Claims 1 to 15 replaced by amended claims 1 to 11."
- 3. [Where originally there were 14 claims and the amendments consist in cascelling some claims and in adding new claims]: "Claims 1 to 6 and 14 unchanged; claims 7 to 13 cancelled; new claims 15, 16 and 17 added." or "Claims 7 to 13 cancelled; new claims 15, 16 and 17 added, or "Claims 7 to 13 cancelled; new claims 15, 16 and 17 added; all other claims nuchanged."
- 4. [Where various binds of amendments are made]:
  \*\*Claims 1-10 mechanged; claims 11 to 13, 18 and 19 concelled; claims 14, 15 and 16 replaced by amended claims 14; claims 17 subdivided into amended claims 15, 16 and 17; new claims 20 and 21 added."

#### "Statement under Article 19(1)" (Rule 46.4)

The amendments may be accompanied by a statement explaining the amendments and indicating any impact that such amendments might have on the description and the drawings (which cannot be amended under Article 19(1)).

The statement will be published with the international application and the amended claims.

The statement abouted be brief, it abouted not exceed SEO words if in English or if immitted into English.

It should not be confounded with and does not replace the lesser indicating the differences between the claims as Glod and as assembled. It must be filed on a repense about not need on identified as such by a beading, professibly by uning the words "Satument under Article 19(1)."

It should not contain any disputaging comments on the international search report or the substance of citations contained in the report. Reference to citations, relevant to a given chains, contained in the international search report may be made only in connection with an amendment of that claim.

#### in what barguage?

The amendments issuit be made in the language in which the international application is published. The lener and any statement accompanying the amendments must be in the same language as the international application if that language in English or French; otherwise, it must be in English or French, at the choice of the applicant.

## Consequence if a demand for interpetional preliminary examination has already been filed?

II, at the time of filing any amendments under Article 19, a demand for international preliminary examination has siready been submitted, the applicant amost preferably, at the associance of filing the amendments with the International Bureau, also (He a copy of such amendments with the International Perfinding Examining Authority (see Rule 62.2(a), (inst sentence).

## Consequence with regard to translation of the interactional application for entry into the national phase ?

The applicant's attention is drawn to the fact that, where upon entry into the national phase, a translation of the claims as amended under Article 19 may have to be furnished to the designated/closted Offices, instead of, or is addition to, the translation of the claims as filled.

For further details on the requirements of each designated/elected Office, see Volume II of the PCT Applicant's Guide.

#### NOTES TO FORM PCT/ISA/220

These Notes are intended to give the basic instructions concerning the filing of amendments under Article 19. The Notes are based on the requirements of the Patent Cooperation Treaty and of the Regulations and the Administrative Instructions under that Treaty. In case of discrepancy between these Notes and those requirements, the latter are applicable. For more detailed information, see also the PCT Applicant's Guide, a publication of WPO.

to these Notes, "Article", "Rule" and "Section" refer to the provisions of the PCT, the PCT Regulations and the PCT Administrative Instructions, respectively.

#### INSTRUCTIONS CONCERNING AMENDMENTS UNDER ARTICLE IP

The applicant has, after having received the international search report, one operationly to amoud the claims of the international application. It about however be complexited that, some all parts of the international application (claims, descriptions and derivings) may be assembled during the international periods or combination procedure, there is among to make the procedure, there is a small to file assembles not the claims under Article 19 except where, e.g. the applicant wants the latter to be published for the proposes of provisional protection or has another reason for assemble; the claims before international policiesies. Furthermore, it should be emphasized that provisional protection in available to some States only.

#### What parts of the laternational application may be amended ?

The cisious only.

The description and the drawings may only be amended during interactional preliminary examination under Chapter  $\Omega$ .

When? Within I mends from the date of manufact of the international stack report or 14 ments from the priority date, whichever time is not expired less. It should be send, herever, that the accordance will be considered as hereing been received on time if they are received by the international Powers after the expiration of the applicable time limit but before the completion of the extended proposition for international publication (Rade 44.1).

#### Where not to flie the amendments ?

The amendments may only be filed with the international Bureau and not with the receiving Office or the international Searching Authority (Rule 46.3).

Where a domand for international preliminary examination has been's filed, see below.

How? Sides by cancelling one or more entire claims, by adding one or more new claims or by samealing the text of one or more of the claims as filed.

A replacement about most be submitted for each about of the claims which, on account of an amendment or assertables, differs from the about originally filed.

All the cisions appearing on a replacement about most be numbered in Arabic numerata. Where a cision is cancelled, no renumbering of the other claims is required. In all cases where claims are renumbered, they must be renumbered consecutively (Administrative Instructions, Section 205(b)).

#### What documents must/may accompany the amendments?

Letter (Section 105(b)):

The amendments must be submitted with a letter.

The letter will not be published with the international application and the amended claims. It should not be confounded with the "Statement under Article 19(1)" (see below, under "Statement under Article 19(1)").

The lener must indicate the differences between the claims as filed and the claims as amended. It must, in periodic, indicate, in connection with each claim appearing in the infermational applications (it being understood that identical indications concerning several claims may be grouped), whether

- (i) the claim is unchanged:
- (ii) the claim is cancelled;
- (iii) the claim is new;
- (iv) the claim replaces one or more claims as filed;
- (v) the claim is the result of the division of a claim as filed.
